It may be noted that the demarcations mentioned above are broad guidelines based on the coordinates provided in the Google Maps. The detailed maps are available on CGHS Pune website – www.cghspune.gov.in
The offices under Central Government can access the maps to determine whether the applicant for CGHS card resides in covered area and thus eligible for issue of CGHS card or not. In cases where some of the overlapping

areas covered by two or more Wellness Centers, the allotment of Wellness Center to the applicant would be decided by the CGHS Card issuing authorities.

The above AUC details have been uploaded on CGHS Pune website sometime back for suggestions & feedback for further improvement. It has now been decided that the final date of implementation of these guidelines shall be w.e.f. August 15, 2014. The Central Government Offices in Pune can now access the details at <http://cghspune.gov.in/> under Wellness Centers.
