

C O R R I G E N D U M

- **Date for bid submission has been extended till 10.03.2014**.for all cities. Date of submission of EMD and Tender fee is 11.03.2014 and opening of technical bids shall starts from 12.03.2014.
- For Non-NABH/ Non-NABL HCOs copy of application to QCI may be submitted at the time of signing of MoA with CGHS. Presently these HCOs can submit the bid in e-tender without QCI application alongwith an affidavit that they would apply to QCI before signing of MoA with CGHS.
- In case Hospital/ eye centre/ dental clinic/ diagnostic centre has been inspected by QCI for their ECHS empanelment after 30.9.2013 then there is no need for fresh inspection by QCI for CGHS empanelment and its previous empanelment report with ECHS would be accepted.
- **Fee Structure** which has been approved for inspection by QCI is like this: Rs 30,000/- for hospitals having beds strength upto 100 and Rs. 35000/- for hospitals having 101 and more beds. For exclusive eye centres, exclusive dental clinics and diagnostic centres it is Rs. 20,000/-irrespective of number of dental chairs, beds in eye centres etc.
- This one time inspection by QCI would be valid for two years.
- **Criteria of turnover** is Rs. 2 Crores/ year for hospitals and Rs.20 Lac for other HCOs in Metro cities. In case of some HCOs having less turn over during 2012-13, but have complied with this figure in current financial year and are able to give a certificate from CA regarding this, it would be accepted in CGHS.
- As clarified in pre-bid meeting, applicant HCOs have to bid for those facilities (treatment procedures/investigations) only which are available at the premises of HCOs. Bids for treatment/ investigation facilities which have been outsourced to some other centre located elsewhere are not be quoted. Similarly rates of cancer surgery are not to be quoted by applicant HOCs since rate of TMH 2012 would apply.

- Hospitals shall submit only one tender even for providing diagnostic services. Format for dental and eye centres is to be filled up by exclusive dental / eye care centres only. However, hospitals shall quote the rates for all available facilities including dental /eye / diagnostic services since hospitals shall be empanelled for all facilities available in hospital.
